

### **What information do we collect?**

We collect information from you when you register on our site, place an order, subscribe to our newsletter, or contact us for customer support.

When ordering or registering on our site, as appropriate, you may be asked to enter your: name, e-mail address, and the password you would like to use for your account.

Like most websites, we use cookies and/or web beacons to enhance your experience, gather general website usage statistics, and to help us improve our website.

### **What do we use your information for?**

Any of the information we collect from you may be used in one of the following ways:

- To personalize your experience  
(your information helps us to better respond to your individual needs)
- To improve our website  
(we continually strive to improve our website offerings based on the information and feedback we receive from you)
- To improve customer service  
(your information helps us to more effectively respond to your customer service requests and support needs)
- To process transactions

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other third party for any reason whatsoever, without your consent, and we will not use your information to promote our products and services to you.

- To send periodic emails

The email address you provide for order processing, will only be used to send you information and updates about your order.

### **How do we protect your information?**

We implement a variety of security measures to maintain the safety of your personal information when you place an order or enter, submit, or access your account.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and encrypted into Secure Sockets Layer (SSL) format to protect your personal information.

After a transaction, your private information (credit cards, social security numbers, financials, etc.) will not be stored on our servers.
