**Custom silk screen printing ,Embroidery & Digital direct to garment, print on demand Denver, Colorado
tee shirts, Hoodies, Jackets, Caps apparel and garment accessories.**

// //

From digital tee shirt printing & the silk screen print process. to Embroidery , sewing and

monograms....

With our brand new large format Full color digital print system using a white ink management system we now offer on off single print photographic quality t-shirts, hoodies, and garments accessories in a fraction of the time and cost associated with tradition silk screen printing. there are no minimum quantities requires, no screen, film or set up charges, no ink mixing and spot color vector art files are welcome but not required.

We are planning an online design packages that will let you select from a database of full color clip art and typefaces to create your own design and order right online.

If you are looking for event or promotional giveaway shirts at a substantial saving then we offer full color direct Silk screen printing on all textiles. We use cutting edge advanced mechanical art techniques that result in an image most other silk screening shops will tell you cant be done.

We are a small local shop in the Denver, Colorado front range area since 1982, with a highly experienced but small staff we are able to offer extraordinary quality with competitive pricing. So if you need high quality concert style t-shirt printing, just one gag shirt full color or even a simple one or two color print with text we can help.

We can get any apparel from any manufacture or distributor with our long term buying power. Come in and view our showroom of goods and samples, see our work and meet the staff, It is our pleasure to order in samples on request if you prefer to try them on for fit.

Our silk screen printing & embroidery facility is conveniently located just off Colfax near I-70 we are easily accessible to all the mountain community's. Located near Golden Colorado in

Lakewood, Colorado
